

Smart watch (SW1205)

ODM OEM

SW1205

The smart watch comes with Bluetooth connectivity that syncs with a dedicated mobile app. It comes with a variety of features, including tracking exercise data, monitoring heart rate, measuring blood pressure, and checking blood oxygen levels. With seamless syncing with your smartphone, you can conveniently understand your health, monitor real-time exercise data, and track metrics like heart rate, blood pressure, and blood oxygen levels.
